To the Wardens & Vestry of Christ Church. —

Gentlemen, Some time since being in arrears for the ground rent of a lot on Pine street, belonging to your Church, & then in such circumstances as rendered me not able to pay on demand, I was obliged to consent to a charge of interest for the same to prevent the execution a threat of distress by your attorney, Mr. Allen. Since that demand I have discharged the arrearages, with subsequent ground rent, and now respectfully request that you will consider the case; & should you relinquish the demand of such interest, you will confer a favour on

Gentlemen,

Respectfully Yours.

To the Vestry of the United Churches of Christ Church St Peter's and St James's.

Gentlemen,

When a committee from your body in October last informed me of my appointment as Assistant Minister to the Rector of these churches, I accepted the same on the condition of my resigning it at pleasure.

Accordingly, having accepted an invitation to the Rectorship of St James's Church Lancaster, I hereby communicate my resignation of the aforesaid office.

In doing this permit me to add, that while I deeply regret a separation from your venerable Rector, to whose goodness, instruction and fatherly affection I shall ever feel myself indebted, I trust that the present step has been taken solely from motives of duty to myself and to the Church at large.

That the great head of the Church may bless your congregations with the "riches of his grace" and direct all your counsels for their welfare, is the humble prayer of

Yours respectfully

My Dear Sir,

Have the goodness if you please to communicate to the Vestry of the United Churches my grateful acknowledgments for their resolution of the 8th of May, by which I was enabled to follow the advice of my Physicians, who had directed me to travel during the summer. After a long journey I find my health perfectly restored. Anxiously wishing that by a faithful discharge of my ministerial duties I may prove how sensible I am of the kindness I have received,

I remain, Dear Sir,
very respectfully
Your obedient Servant
